

Started, but not Mastered Lessons

Click progress for the correct student.

The screenshot shows a dashboard with a navigation bar at the top containing Home, Plan, Progress, Courses, K-Mail, Community, and Help. On the left, there are notification boxes for mail messages and announcements. The main content area is titled 'TODAY'S TO DO LIST' for Tuesday, August 10, 2010, and includes tasks for Attendance and Advance Prep. Below this is the 'MY STUDENTS' section, which lists '1st Grade' and '2nd Grade' students, both from 'School: K12 DEMO'. Each grade level has links for Daily Plan, Weekly Plan, Progress, Courses, and Lessons. A red arrow points to the 'Progress' link for the '2nd Grade' student.

Click on the subject you would like to view.

The screenshot shows a table titled '5th Grade's Progress' with a sub-header 'Core lessons only are included'. The table lists subjects and their completion percentages, with a 'Current Lesson' column. A red arrow points to the 'GUM' row.

Subject	Completion Percentage	Current Lesson
Math 5	5% Complete	Current Lesson
Language Skills 5 (v1)	3% Complete	
Composition	2% Complete	Current Lesson
GUM	5% Complete	Current Lesson
Test Readiness	0% Complete	Current Lesson
Vocabulary	4% Complete	Current Lesson
Literature 5	5% Complete	Current Lesson
Spelling 5	4% Complete	Current Lesson
Science 5	3% Complete	Current Lesson

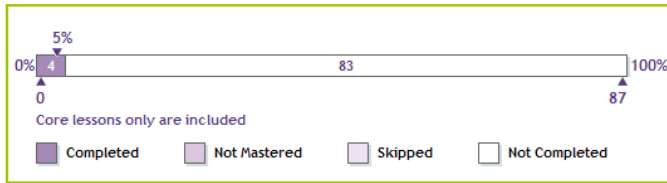

Click on *Not Mastered*. You will be able to view and access any lessons that have not been mastered. Remember, a child must review the lesson and retake the assessment if (s)he scores less than 80%.
